

White Cloud® Pre-Moistened Wipes with Aloe Vera Gel

1- COMPANY NAME & PRODUCT IDENTIFICATION

Company: Hospital Specialty Company
Address: 26301 Curtiss Wright Parkway, Suite 200
Richmond Heights, OH 44143
Telephone: 216-535-4300 Emergency: CHEM-TEL 1-800-225-3924

Product Type: Pre-moistened Wipe, Scented
Item: PM-BWSDP
MSDS Revision No: 1

2- COMPOSITION/INFORMATION ON INGREDIENTS

Product Composition: Fabric impregnated with aqueous mixture containing less than 20% of surfactants classified as more than R36 (Irritant to eyes) and/or R38 (Irritant to skin) and/or R22 (Harmful if swallowed) or aqueous mixture containing less than 10% of surfactants classified as no more than R41 (Severely irritating to the eyes), all other ingredients present at 1% or more being low toxicity and low irritancy.

3- HAZARDS COMMUNICATION

Eyes: Can cause irritation
Skin: Unlikely to cause irritation
Inhalation: No inhalation hazard
Ingestion: The impregnating liquid is likely to be harmful unless excessive amount swallowed as by chewing or sucking several wipes

Hazardous Material Identification Systems (HMIS) Ratings:-

Health: 1- Slight Hazard
Flammability: 1- Slight Hazard
Reactivity: 0-Minimal Hazard
Other Hazards:

4- FIRST AID MEASURES

Eyes: Wash immediately with copious amounts of water and obtain medical attention.
Skin: Rinse skin with soap and water. Obtain medical attention if symptoms develop.
Inhalation: Not applicable
Ingestion: Remove material from mouth. Drink 1 or 2 glasses of water or milk. If wipes have been swallowed, or symptoms develop, get medical attention. Show this MSDS.

5-FIRE FIGHTING MEASURES

As appropriate to surrounding fire

6-ACCIDENTAL RELEASE MEASURES

Sweep up and then wash down. CARE: floor may be very slippery or sticky. Dispose of waste as appropriate (not a hazardous waste.)

7-HANDLING AND STORAGE

Breaking of packages should be avoided by ensuring the correct procedures for transport and storage of containers are carried out. No special precautions required. Storage between 15 deg. C and 25 deg. C is advised.

8-EXPOSURE CONTROLS/PERSONAL PROTECTION

In the event of bulk spillage, take the following precautions. Avoid contact with eyes by using safety glasses or goggles. Avoid prolonged contact with Skin by wearing protective gloves and overalls.

White Cloud® Pre-Moistened Wipes with Aloe Vera Gel**9-PHYSICAL AND CHEMICAL PROPERTIES**

Product Appearance:		
Flash Point:	Vapor Pressure (mm Hg):	Boiling Point (°C):
pH at 20° C:	Water Reactive:	Melting Point (°C):
Specific Gravity at 20° C:	Solubility in Water:	

10-STABILITY & REACTIVITY DATA

Incompatibility:	Strong acids, strong alkalis and strong oxidizers.
Stability:	This product is stable.
Conditions Contributing to Hazardous Polymerisation:	This product is stable.
Hazardous Decomposition Products:	None.

11- TOXICOLOGICAL INFORMATION

No toxicological data on the product are available but from the composition the hazard of the impregnating fluid would be expected to be low. Lethal dose probably greater than 200ml for a 12.5kg (28lb, two year old) child, and greater than 1000 ml for a 60kg adult.

12- ECOLOGICAL INFORMATION

Dangerous Ingredient:	No ingredients classified as Dangerous to the Environment.
Mobility:	
Degradability:	
Accumulation:	
Effects:	

13- DISPOSAL CONSIDERATIONS

Bulk spills and waste product should be placed in secure containers and labelled clearly. Local regulatory authorities should be consulted about the most appropriate form of waste disposal. The manufacturers must receive documentation confirming the final site and method of disposal in accordance with the local and European law. Rinsings arising from containers may be disposed to drains served by a sanitary sewer only with the express permission of the local regulatory authorities.

14-TRANSPORTATION

No special packaging is required

15. REGULATORY INFORMATION

Classification and R Phrases:

S Phrases:

This product does not classify as "Dangerous" under the Chemicals (Hazard Information and Packaging for Supply) ("CHIPS") Regulations 1994 and as subsequently amended. This MSDS is provided guidance during the storage and distribution of the product. It is not appropriate for retail sale of packed product as the product is sold as a cosmetic and is therefore exempt from the CHIPS Regulations.

16-OTHER INFORMATION
