To Our Valued HOSPECO Distributors:

Please be advised that HOSPECO has rebranded our Health Gards® metered aerosol program to AirWorks® to complete the family of AirWorks® odor control products for the restroom featuring:

AirWorks® Metered Aerosol (Item # 079XX series)  
AirWorks® 3.0 Passive Continuous Air Care Systems  
AirWorks® Urinal Screens  
AirWorks® Bowl Clips  
AirWorks® Hang Tags  
AirWorks® Premier Urinal Screen with block

**PLEASE NOTE:** With this rebranding change HOSPECO as also made the following improvements:

- Upgraded graphics on all fragrances
- Upgraded Nozzle (green) for a much finer atomization to improve the diffusion into the air for improved performance.
- Aesthetic change to a larger white cap
- GHS label copy on the preprinted case label
- Improved formulations including Metazene for comparable fragrance
- Change in country of origin to Mexico
- New more detailed SDS available at HOSPECO.COM to reflect GHS changes
- AirWorks® Metered Aerosols will fit all existing dispensers currently using the Health Gards® label and will fit substantially all competitive “non-proprietary” dispensers

**This is a rolling change with no change to our item numbers or UPC codes per fragrance. There are no price changes.**

New Item photos are available at HOSPECO.COM or upon request if certain photo specifications are required.

HOSPECO also recommends our new AirWorks® Metered Aerosol Dispenser (AWMAD or AWMADL with lock/key). This dispenser has a sleek look, a smaller footprint, runs on 2 'AA' batteries, can be set at 8, 15, or 25 minute intervals, day-working-or hour mode - 12 hour, 24 hour, or day operating only in the presence of light and features a gray polypropylene insert on the front cover which is resistant to discoloration or deterioration in the event of any possible overspray. **This is our BEST VALUE in metered dispensers.**

If you have any questions regarding this rolling change please call Customer Support at 800-321-9832.

Thank you for your consideration,

Bill Hemann  
VP-Sales/Marketing
