

HOSPECO®
CLEAN • PROTECT

PullOne™

TOILET SEAT COVER SYSTEM

WHY USE THE PULLONE™?

EASY TO DISPENSE

One cover dispenses at a time

BIODEGRADABLE

Paper flushes easily

GREEN SEAL CERTIFIED

Environmentally preferred

LESS MAINTENANCE

600 count envelope equates to less change outs

MADE IN THE USA

Supporting American industry

EASY TO LOAD DISPENSER

Loads from the top instead of bottom

PATRON SATISFACTION

Cleaner restrooms

COMPLETE USE OF PRODUCT

Secondary position allows for partial envelope to be used completely

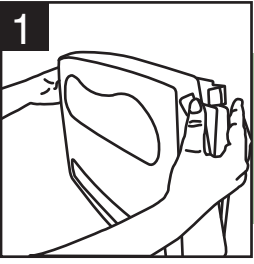

LESS WASTE

Less restroom clean-up

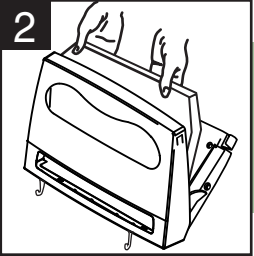

QUALITY TISSUE

Better than traditional imports

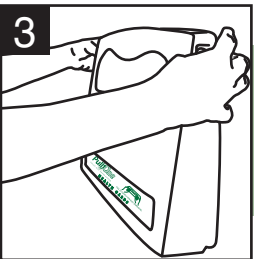

HOW TO LOAD DISPENSER

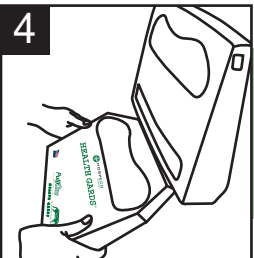

Open from top by pressing tabs in on either side and gently pulling forward

Place refill envelope in dispenser from top, lining it up with notches at bottom

Close dispenser allowing tabs to click into place

To avoid wasting any covers, envelope with remaining covers should be hung from hooks at bottom of dispenser (Secondary position), to have all covers used
